

Ashutosh Rath

B.Tech(CSE) In 2nd Year

Organized and dependable candidate successful at managing multiple priorities with a positive attitude. I am currently studying B.Tech in Computer Science in ITER,Bhubaneswar. I am very passionate and love to learn and code. I am a beginner but I am learning everyday and improving my skills in different fields. I am very hardworking and dedicated. Currently learning in frontend development. I am aiming forward to be a full stack developer and to have a strong hold in major programming languages.
